APPRENTICESHIPS

Apprenticeships

We deliver apprenticeships in Textile Manufacturing, Garment, Sewing, Fashion & Apparel Manufacturing, Business Admin, Customer Service, Team Leading, Laboratory Technician, and Textile Specialist areas (Weaving or Finishing).

Level 4 Textile Technical Specialist: This apprenticeship is ideal for those candidates that are training to be weaving technicians (overlookers) or finishing technicians. The programme lasts 2 years and candidates will demonstrate competency on textile machinery.

Course dates: 7th February / 12th June / 9th October

Laboratory Technician: This apprenticeship has been specifically designed to support those individuals that work in a quality testing role within a manufacturing businesses. The programme offers a specific route for textile lab testing or non-textile lab testing (other sectors). The course runs for 2 years and learners will finish as industry-competence Laboratory Technicians.

Course dates: 21st February / 26th June / 23rd October

Textile Technical Certificate: The L3 Diploma in Textile Design & Manufacture is the industry's knowledge programme for generic textile manufacturing processes. It covers core knowledge of fibre, yarn and fabric processing, including site visits and assessment/assignment work to check industry competency. It is wholly delivered at the Centre's premises and provides learners with the theoretical knowledge they need to progress in the workplace.

Course dates:
